

Ipamorelin

Growth Hormone • 10mg lyophilized

SAMPLE / REPRESENTATIVE COA — pending upload of lot-specific analytical data.

Product	Ipamorelin
Dosage	10mg
Lot Number	N49-IP10-001
Appearance	White to off-white lyophilized powder
Identity (Mass Spec)	Consistent with theoretical molecular weight
Purity (HPLC)	99%+
Test Method	RP-HPLC / LC-MS
Storage	Store lyophilized, refrigerated (2-8°C)
Intended Use	For Research Use Only — not for human consumption
