

NAD+

Longevity & Wellness • 500mg lyophilized

SAMPLE / REPRESENTATIVE COA — pending upload of lot-specific analytical data.

Product	NAD+
Dosage	500mg
Lot Number	N49-NAD500-001
Appearance	White to off-white lyophilized powder
Identity (Mass Spec)	Consistent with theoretical molecular weight
Purity (HPLC)	99%+
Test Method	RP-HPLC / LC-MS
Storage	Store lyophilized, refrigerated (2-8°C)
Intended Use	For Research Use Only — not for human consumption
